Dear John,

I want to take a moment to thank you and your company for the recent lighting conversion upgrade that was done at our site. I wish to extend my gratitude to Lou Alfano and the other members of your company for the courteous and professional handling of any requests by our employees regarding the installation. It has been a pleasure to work with you and your company.

Thanks again for your patience and persistence to make every effort to please us as a customer.

Yours Truly,
