ESCO Energy Services Co.
788 South Street
Pittsfield, MA 01201

Attention: Andrew Bloom

Dear Andrew,

I would like to thank yourself and the entire staff at ESCO for the successful completion of the lighting retrofit project here at Windsor. All aspects of the project from the initial savings projections through the installation of the new fixtures and disposal of the old were performed in a professional and timely manner.

We have already seen an improvement in the quality of light and look forward to the expected energy savings and lower maintenance costs.

Our experience with ESCO was very positive, and I would recommend ESCO to anyone considering a lighting upgrade project.

Thanks again.

Sincerely,

Windsor Division
