

CITY OF WESTFIELD, MASSACHUSETTS

FIRE DEPARTMENT

OFFICE OF THE CHIEF

34 Broad Street Westfield, MA 01085
(413) 572-6307

To Whom It May Concern:

Energy Services Company (ESCO) recently completed a lighting retrofit at the Westfield Fire Department.

They were very professional and efficient throughout the process of analyzing and performing the retrofit of the entire lighting system at the Fire Department Headquarters building.

The results were quite "enlightening" in this old building and the entire staff is pleased.

Sincerely,

Frank O'Brien, Chief
