Dear Lou,

I want to thank you for the great job you and your company did recently installing the energy efficient lighting throughout our shop. We are very pleased with the brightness and consistency of the new lighting. We were also very impressed with how well the project was managed while we were doing our work. Our production was never interrupted the whole time you were here and all waste and scrap was quickly removed. It was a pleasure working with you.

Best regards,

Fred Beaulieu
