Subject: Energy Performance Contract with Johnson Controls

Dear Mr. Shulda:

During the Lighting Retrofit subcontract work that your organization rendered as a part of our Energy Performance Contract with Johnson Controls, your staff demonstrated outstanding professionalism. They exhibited an extremely cooperative demeanor in dealing with our staff, always cleaned up their work areas completely at the end of each work period and were extremely helpful. I wanted to let you know how much this admirable work ethic was appreciated because the same was not the case with some of the other contractors working in our buildings these past months. I also wanted to thank you for the follow-up work performed on the two small problems that arose. We applaud you and your staff on a job well done.

Sincerely,

Craig E. Stell
