Re: Oxford Polymers Lighting Retrofit Program

Dear Mr. Bloom,

On behalf of Oxford Polymers we would like to thank you and your staff at ESCO Energy Services Co. for the professional and efficient manner in which you completed the above named project. It was a pleasure to do business with a Company (especially a Contractor) who delivers a high level of on time service. Your response time to even the most trivial questions was impeccable.

Once again, thank you.

Regards,

OXFORD POLYMERS
