ESCO Energy Services Company

Dear Andrew:

I want to thank you and all of the other professionals at ESCO who worked on the recent lighting retrofit project at Rodney Hunt Company.

In addition to the electrical savings, which you accurately predicted, I was very pleased with the lack of production interruption, neatness, and attention to safety that was evident throughout the project.

Thanks again for an excellent project. I would certainly recommend ESCO to anyone interested in energy savings and improved lighting at their facility.

Sincerely,

RODNEY HUNT COMPANY
