Dear Andrew,

I want to thank you and your staff for a job well done on the management part of the installation, especially John Shulda and Lou Alfano. And special thanks to LRS (Lighting Retrofit Specialist), they were a Professional group of subcontractors that did not disturb our production and most of all they worked in a safe manner.

Our Executive and Management Team is very pleased with future savings and the uneventful installation of our project.

Thanks again for your professionalism, we would highly recommend you and ESCO to anyone interested in a lighting upgrade.

Sincerely,

Jay Rogers
Facilities Manager
