Mr. Colby Lewis
President

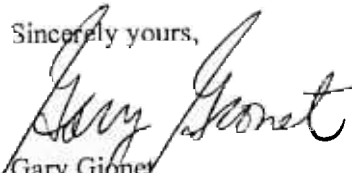

Dear Mr. Lewis:

I wanted to commend you and your staff on a job well done.

The refitting of all the lighting in both the offices and factory went off without any disruption to our operations. The difference in lighting quality is remarkable!! We can't wait to realize the savings and lower maintenance costs involved with the project.

Your staff was courteous and efficient. As any problems were handled without delay.

{I} {WE} would recommend ESCO, to anyone looking to improve the quality of lighting in their facility.

Sincerely yours,

Gary Gionet
