Dear Mitch,

I am writing this letter in reference to our recent lighting retrofit project. We would like to thank you and your staff for a job well done. Your staff was great in working around our printing company and our hours. They were very professional and kept things neat at all times. Your management team John Shulda and Michael Lewis did an excellent job in coordinating this project so that it wouldn't interfere with our daily production.

I would definitely recommend your company to any one planning a project. The lighting in our facility not only looks whiter, sharper, but more natural looking this in our business is crucial. Our lighting is definitely better from this retrofitting and may even make our pockets a littler heavier from the savings on our electricity bills.

Again, thanks for a job well done.

Sincerely yours,
Sweet Waverly Printing Company
