Dear Andrew:

I would like to thank you and your organization for the manner in which you planned, executed, and followed-up on your "Lighting Retrofit Program" of our Manchester facility. I appreciated the frequent communication, group meetings to listen to our operational needs, and can-do attitude to make adjustments in your installation schedule based on our changing manufacturing needs.

Again, I thank you for your on-time completion of the project and the manner in which it was accomplished.

Respectfully,

John Thomas
