

UNILEVER HPC
1 John Street
Clinton, Connecticut 06413-1700

Unilever HPC has an explicit policy that prohibits writing letters of recommendation. However, Mr. Lawrence Bee, Manufacturing Engineer, will accept phone calls to discuss his high level of satisfaction with the ESCO lighting project at their manufacturing facility. Mr. Bee can be reached at 860-664-2226.

This project included more than 1,150 upgrade measures.
