

YANKEE CANDLE COMPANY

102 Christian Lane
Whately, MA 01093

The Yankee Candle Company has an explicit policy that prohibits writing letters of recommendation. However, Mr. Ron Bohonowicz, Vice President of Engineering, has offered to accept phone calls to discuss his high level of satisfaction with the ESCO lighting project at their factory facility. Mr. Bohonowicz can be reached at 413-665-8306.

This project included the replacement of 340 metal halide fixtures with new T5 high intensity fluorescent fixtures and 890 additional lighting retrofit measures.
